

Gerald was born in Spanish Fork, Utah, a son of Willard and Arvilla Day. When he was six months old, they moved to Roosevelt. He served in the Navy during World War II. He attended Utah State one year then he graduated from the University of Utah. He began his career in the grocery business working for Safeways. Then he managed a store for Albertsons for 18 years. In 1972, he and his family moved to Heber, where they began their own grocery business, Days Markets. Gerald has been active in the Utah Retail Grocers Association, being Chairman of the Board for two years. He has been a member of Board of Directors for Associated Food Stores since 1974. He has been involved in many civic activities- County Fair, Scouting, Chamber of Commerce, Rotary- to list a few. Church activity has been an integral part of his life. At present, he is Scout Committee Chairman and Teacher Development Instructor.

Lela was born in Bridgeland, Utah. She attended schools in Roosevelt and Utah State University. She has filled her years being a full time wife and mother. She enjoys being a homemaker, traveling, and her grandchildren. Having served in many church and community positions, she is now serving as Relief Society President. She is also Vice President of the National Grocers Association Auxiliary.

Their six children are all involved with the family grocery business. Elaine married Kirk Hunsaker. They have five children. Byron lives in Provo and is married to Lesa Luke. They have two children. Alan and Kathy live in this ward and they have three children. Steven and Paula recently moved to Vernal from Alpine. They have two children. Carl married Cindy McFee last October and they also live in Vernal. Charlene is a Senior at Wasatch High School and is involved in Music and Drama. She plans to attend Brigham Young University after graduation.

Fred and Janice came to Heber from Oakland, California, in 1982, to visit their daughters' family, the Campbells. With retirement in mind, they looked and bought a lot in Valley Hills. They decided the lot and view was too much to not have a home on it, so they left for California, packed up bag and baggage, rented their home, sold their printing business and moved to Heber.

Fred is the youngest son of Lillian and Alfred Dent. He was born in Great Falls, Montana. The family moved to California, when Fred was six years old. Fred was very active in all school programs. He was President of the Studentbody and the Drama Club. Fred went from High School to Laney College to continue to learn the art of Printing, which he had taken in Jr. High and High School. Working in the trade while going to school.

Over the years, Fred has been active in many business and social organizations; Pres. Pacific Graphic Arts, Pres. Pyramid Club, Commander V.F.W., Board of Directors of Rotary and Chamber of Commerce in Alameda, Calif.. Fred received "Greetings" from President Roosevelt to become a member of the Armed Forces in 1943, and spent 2 years in the Anti Aircraft Battalion in World War II.

Janice Morrison was born in Richfield, Utah. Janice is the youngest daughter of seven children of William and Eva Morrison. At the age of six, she was badly burned while attending a backyard cookout. Janice spent a year in bed, and had to learn to walk all over again. With determination, therapy, and prayer, she, with the help of most of Richfield made a fantastic recovery. This has helped to straighten her testimony of the gospel. Part of the therapy was swimming and Janice became an excellent swimmer, winning many medals and achieving Life Guard Status with a Red Cross Pin.

In High School, Janice participated in dancing, drama, sewing, and marched in a Drum Corp.. After graduating from High School she attended the U of U. While there, she was offered a position with a Doctor in Oakland, which she accepted. It was at this time she met and married Fred.

We have 4 children, one boy and three girls and 18 grandchildren.
